Weber Pianos

HAVE been before the public for half a century, and now hold a supreme position in the Piano World. This fact alone is decisive proof of the genuine worth of these Pianos, for had they not over and over again justified their claims upon public confidence, they could never have achieved such a splendid triumph over interested opposition and criticism during so long a period. Their success is due to the fact that they recommend themselves.

LOS ANGELES PHOTOGRAPHIC SALON.

The Announcement that the FIRST LOS ANGELES PHOTOGRAPHIC SALON would be held in the spacious rooms of the Los Angeles Camera Club, was received with interest and enthusiasm, both by exhibitors and those interested in Art. This support has made it possible for the Club to present to the public an Exhibition of Meritorious Photographic Work.

The object and purpose of the Salon is to assist and stimulate Art. The first aim being to show the artistic possibilities of the lens, and the second to assist the members of the Club in their pictorial work by supplying the means of comparing their efforts with those of the recognized Photographers of America.

SALT LAKE ROUTE.

SOUTHERN CALIFORNIA SEASHORE RESORTS are charming the year 'round, and especially so are Long Beach, Catalina Island, Terminal Island, Brighton Beach and San Pedro on the line of the Salt Lake Route. The Beaches are strands of unequalled beauty, and nowhere in California will one find as good fishing, yachting, boating, shell gathering and sea bathing as here. Beautiful year round, climate and marine views superb. Beautiful illustrated folders of California Seashore Resorts sent on application to agents of the
